New Product

GP530UWV

Replacement to Seal Chain for Vintage Motorcycles

530UWV were developed to replace 530 Non-Sealed Chain for Vintage Motorcycles.

Compatible for 400cc~750cc, 530Vint features RK's only technology of Ultra Thin Seal, UW-Ring, make possible to design a Sealed Chain with similar chain line of a Non-sealed Chain.

530Vint comes with Silver Coating on the Inner and Outer plates.

Converting Non-Sealed to a Sealed Chain result 4 times chain life and no chain adjustment after initial stretch.
