

NEW ContiTrack

New developed slick tire for the ultimate racing and track day performance (NHS).

- Sustainable performance together with higher durability.
- New carcass construction for significantly greater braking stability, precise turn-in and noticeably better corner exit traction.
- Completely new compound variations, adapted to Supersport and Superbikes.
- Innovative, newly from scratch developed GP 1 contour with the dimensions 120/75 R 17 and 200/65 R 17 for nearly all modern superbikes.
